Water Restrictions

Roll Call: Mr. Harrington, Mr. Fitez, Mrs. Greenfield, Mr. Stull, Mr. Castle, Mr. Bell and Mayor Jones. Except Tom Smith

Drought Restrictions Variance

Mayor: Comments on drought MDE and BOCC recommendations

No Citizen comments.

Joe Harrington - Reads a memo to Mayor & Council regarding water restrictions.

Lawn sprinklers weekdays 3 pm - 7 pm

Automobiles, porches, house siding, etc.- weekends 12-6 pm using hoses with turnoff nozzles.

Commercial car washes free from any restrictions.

Children's wading pools may be re-filled but it is the recommendation of M/C that they use the City's municipal swimming pool.

All other state restrictions remain in effect 80% of the week.

Mayor's comments on water plant stops pumping on weekends should be considered.

Debbie: Need some restrictions.

Walt: Some restrictions needed.

Jim Castle: Some restrictions

Brent: Pumps have always run weekends, should use odd/even and address east/west of town method.

Dave: Comments regarding possible enforcement parameters. Reports on reservoir release upstream due to low river levels.

Connie Koneig: No lifting of restrictions due to drought conditions.

Mayor: Downstream communities' use is unrestricted. Citizens of Brunswick have restrictions while others use water unrestricted. Keep restrictions in place.

Walt - Recommends hydrant maintenance to restart, i.e. flush hydrants and better maintenance.

Mayor - Closed Public meeting at 7:30 pm
